

To all church roof areas: roof tiles, felt and battens removed. Any damaged roof timbers replaced or treated as appropriate. New bat-friendly felt and insulation installed between battens, where feasible. Existing tiles of appropriate condition to be reinstated, with new tiles to match the existing replacing those that cannot be reinstated. Reinstated and new clay tiles to be laid in a pattern replicating the existing. Flashings in lead.

Proposed Northeast Elevation

A 13/08/2026 Note added for works to roof
