Thank you for your letter of 07 August 2026 regarding the above application for planning permission.

We confirm we have no comments or concerns regarding the proposed hard landscaping materials which, as described in the submitted Covering Statement, will provide a coherent surfacing strategy that responds to the architectural and historic significance of the estate.

It is not necessary to consult us on this application again unless there are material changes to the proposals. However, if you would like advice from us, please contact us to explain your request.

Yours sincerely

Joanne Fisher
