

AFFIDAVIT

Affidavit of Paul Cole

I, Paul Cole, of 5 Tower Lane, Colehill, Wimborne, BH21 2QP, being employed by D.W.B. Long Limited T/A Roebridge Foods ("the Company") and having worked overnight at the Company's premises, make oath and say as follows:

1. I am employed by the Company as night warehouseman. I have worked for the Company since approximately 1998, and my duties have included overnight work at the Company's premises.
2. The Company operates from premises known as Roebridge Foods, Clover Park, Brickworth Road, Whiteparish, Salisbury, SP5 2QG ("the Site").
3. As part of my employment, I have personally worked at the Site during overnight and early-morning hours.
4. During those overnight hours, I have regularly witnessed and/or been involved in operational activity at the Site, including the receipt of deliveries, unloading and checking of goods, movement of vehicles, use of loading areas, access by staff and preparation of goods for onward distribution or trading.
5. Deliveries to the Site have regularly arrived during the night and early morning. Those deliveries have required staff to be present on site to receive vehicles, open or access the relevant areas, unload goods, check stock and undertake associated work.
6. The overnight use of the Site has been a normal and regular part of the Company's operations, rather than an occasional or isolated occurrence.
7. Based on my own experience and observation, the Site has been used overnight on a regular basis for more than ten years in connection with the Company's food business operations.
8. So far as I am aware, that overnight use has continued openly and without any material interruption during the period of my employment.
9. I make this affidavit for the purpose of confirming, from my own first-hand knowledge and experience, the regular overnight use of the Site, including overnight deliveries and associated operational activity.
