I, Jason Fudge, of The Decoy, Tarrant Keynston, Blandford, DT11 9JE, being a delivery driver and warehouseman employed by D.W.B. Long Limited T/A Roebridge Foods, make oath and say as follows:

1. I am employed by D.W.B. Long Limited T/A Roebridge Foods as a delivery driver and warehouseman and, in the course of my work, I have collected goods from and made deliveries from premises known as Roebridge Foods, Clover Park, Brickworth Road, Whiteparish, Salisbury, SP5 2QG ("the Site").
2. I have been carrying out deliveries from the Site since approximately 1999.
3. My work has included collecting goods from the Site and departing to make deliveries during overnight and early-morning hours.
4. When attending the Site overnight or in the early morning, I have observed staff or representatives of Roebridge Food Limited present or available to provide access, prepare and check goods, assist with loading, and undertake associated operational activity.
5. The deliveries I have undertaken from the Site during overnight and early-morning hours have involved vehicle access, loading activity, and the movement of goods at and from the Site.
6. Based on my own experience as a delivery driver employed by Roebridge Food Limited, overnight and early-morning departures and deliveries from the Site have formed a regular part of its operation and have not been merely occasional or isolated.
7. So far as I am aware from my own work and attendance at the Site, and from the pattern of deliveries I have undertaken, the Site has been used overnight on a regular basis for more than ten years in connection with the business operations of Roebridge Food Limited.
8. I make this affidavit for the purpose of confirming, from my own first-hand experience as a delivery driver employed by Roebridge Food Limited, the regular overnight use of the Site, including the preparation, loading and dispatch of goods for overnight and early-morning deliveries.
