

AFFIDAVIT

Affidavit of Barry Alan Froud

I, **Barry Froud**, of **Jaba Kings Lane Woodlands Wimborne Dorset BH21 8LZ**, being the Sales Director of **Alan Froud Limited**, make oath and say as follows:

1. I am the Sales Director of **Alan Froud Limited** ("the Company") and I am authorised to make this affidavit on its behalf.
2. The Company supplies and delivers goods to premises known as **Roebridge Foods, Clover Park, Brickworth Road, Whiteparish, Salisbury, SP5 2QG** ("the Site").
3. The Company has made deliveries to the Site since approximately **2005**.
4. In my role as Sales Director, I have direct knowledge of the Company's commercial relationship with Roebridge Foods and of the arrangements, records and delivery schedules relating to deliveries to the Site.
5. The Company has regularly scheduled deliveries to arrive at the Site during overnight and early-morning hours, including at approximately **02.00 to 07.00am**.
6. Those deliveries have required access to the Site and the presence or availability of staff or representatives at the Site to receive goods, direct vehicles, open or secure access points, check deliveries, unload goods, complete delivery documentation and undertake associated operational activity.
7. From the delivery arrangements and records known to me, overnight and early-morning deliveries to the Site have formed a regular and established part of the parties' trading relationship and have not been merely occasional or isolated.
8. The fact that the Site routinely receives the Company's deliveries during those hours confirms, from my own knowledge, that the Site operates during the night and early morning.
9. So far as I am aware from the Company's records and my own involvement, this pattern of overnight and early-morning deliveries has continued for approximately **20 years**.
10. I make this affidavit for the purpose of confirming the regular overnight and early-morning operation of the Site, as evidenced by the Company's delivery arrangements and deliveries to it.
