

8. Underwood Drive

Summary

Site: Underwood Drive, Imber Avenue, Allington Way and green space on Harvard Way, Amesbury.

Date of Survey: 22nd August 2025

Type of Survey: Specimen trees are individual inspected, tagged, mapped and detailed. Areas of trees of similar age, size and species are included as a group.

Brief Site Description: Underwood Drive runs south between areas of housing, Imber Avenue and Allington Way are older properties with more mature trees. Housing on Underwood Drive is more modern and the trees are early mature. There is a small fenced area of green space on Harvard Way containing a mature tree, it is surrounded by housing.

Appraisal: The Wiltshire Council planning website indicates that there is a Tree Preservation Order running from Tree 0469 to 0488. Further investigation should be carried out before undertaking tree work in this area.

Tree Schedule Number: 8

Site Sketch Plan Number: 8
