

The Town and Country Planning Act 1990
Approval of Full Planning Permission with Conditions
Application Reference Number: PL/2026/02814
Decision Date: 04/09/2026

Applicant:	Ms Lisa Crowe 1 , The Bungalow, Longfield House Mortimer street , Trowbridge , BA14 8BG
Particulars of Development:	Erection of a shelter (retrospective)
At:	Land near Homeleigh, Dunkirk Hill, Rowde, Devizes, SN10 2LU

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with policy DM3 (1)(a) of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:
 - 1049 Site Location Plan
 - 1049 Proposed Site Plan PL B
 - PROPOSED PLAN & ELEVATIONS Dwg No. 1049 001 Rev PL1

REASON: For the avoidance of doubt and in the interests of proper planning.

- 2 The shelter hereby permitted shall be used only for purposes ancillary and incidental to the use of the land as a secure dog exercise field and shall not be used as a separate planning unit, for residential accommodation, for the sale of goods or services, or for any other purpose independent of the authorised dog exercise use.

REASON: To ensure that the development remains ancillary to the established use and to protect the character of the countryside, in accordance with Core Policies 34, 51 and 57 of the Wiltshire Core Strategy.

- 3 Within three months of the permanent cessation of the authorised secure dog exercise use, the shelter hereby permitted and its associated base shall be removed from the land and the affected ground restored to its former condition.

REASON: The shelter is acceptable solely as an ancillary facility serving the authorised use and its retention without that use would introduce an unjustified structure into the countryside, in accordance with Core Policies 2, 34, 51 and 57 of the Wiltshire Core Strategy.

Informative

- 4 The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for development of land in England is deemed to have been granted subject to the condition (biodiversity gain condition) that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan, if one is required in respect of this permission would be Wiltshire Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. For further information on exempt developments please refer to:

<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>

Based on the information available this permission is considered to be one which will not require the approval of a biodiversity gain plan before development is begun because one or more of the statutory exemptions or transitional arrangements is considered to apply.
