A warm welcome to your new home - and to British Gas

Dear Mr Cremin

We've recently been told you've moved home - we hope everything went well, and that you've finished unpacking and are settling in. As the existing supplier for your new home, we're pleased to let you know we've set up a British Gas electricity account in your name.

Just so you know, right now you're on our Standard tariff - this isn't the cheapest tariff you can get with us.

To make sure you're on the best tariff for you, and that you're not missing out on a better deal, just call us free on 0800 048 0202*.

You'll find everything you need to know about your new account in the panel on the right. And you'll find a summary of your tariff over the page. We've also enclosed your Energy Supply terms and conditions, please take some time to have a look at them.

You're paying by Cash or Cheque

Paying by cash or cheque is quite simple really, you just need to pay when you get your bill.

Just to let you know, our Direct Debit options are better than ever. Now you have the chance to spread your payments throughout the year, and change how much you pay each month, with Direct Debit Flex. It even lets you take payment holidays, for up to two months a year. Find out more at britishgas.co.uk/ddflex
