

The Town and Country Planning Act 1990
Approval of Full Planning Permission with Conditions
Application Reference Number: PL/2026/01944
Decision Date: 09/09/2026

Applicant:	Motor Fuel Group 10 Bricket Road, St Albans, United Kingdom, AL1 3JX
Particulars of Development:	Creation of an EV charging zone, sub-station enclosure, LV panel, meter cabinet and associated works
At:	Morrisons, West Cepen Way, Chippenham, SN14 6UZ

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with policy DM3 (1)(a) of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

- 1** The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2** The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

SuDs - Surface Water Drainage Strategy June 2026 (Rev A) received 10 Aug 2026

Proposed Site Layout 14313-2348-21 C received 17 Jun 2026

EV Charger Details 14313-2348-26 received 01 Jun 2026

Meter Details 14313-2348-29 A received 28 Apr 2026

Substation Details 14313-2348-27 A received 28 Apr 2026

LV Details 14313-2348-28 A received 28 Apr 2026

Block Plan 14313-2348-BP received 17 Apr 2026

Location Plan 14313-2348-LP A received 17 Apr 2026

REASON: For the avoidance of doubt and in the interests of proper planning.

Informative

The applicant is advised that all new drainage should comply with the requirements of Building Regulations Part H. The applicant should engage with Building Control as necessary to ensure compliance.

Informative

The applicant is encouraged to incorporate Sustainable Drainage Systems (SuDS) wherever practicable in accordance with the National Standards for Sustainable Drainage Systems and national planning policy.

Informative

The applicant is advised that any new connection to the public sewer network may require the prior agreement of the relevant sewerage undertaker under Section 106 of the Water Industry Act 1991.

Níc Thomas - Director of Planning, Economy and Climate

NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
 - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
 - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
 - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
 - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <http://www.planningportal.gov.uk/planning/appeals>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
- 4 **CIL.** The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. A separate Community Infrastructure Levy Liability Notice will be issued by the Local Planning Authority. Should you require further information with regards to CIL please refer to the Council's Website [Community Infrastructure Levy \(CIL\) - Wiltshire Council](#)
