DIRT RIDERS CLEAN UP WITH KAWASAKI

Race a '94 Kawasaki and you'll show the opposition a clean pair of heels: they are more than just competitive.

The choice outshines the opposition too. Both 250 and 125cc racers now have extra-torque engines and more compact perimeter frames. The KX100 gains an 80cc kit option, and for a small-wheeled racer there's the KX80, while for starters the KX60 is unrivalled.

Want a 4-stroke enduro with lightweight handling? There's no choice: only the KLX250R will do.

It's not only on the track that the Kawasaki rider is ahead: FREE* membership of Team Green Club '94 wipes the smile off the rivals' faces too.

Where can they get a 3 MONTH WARRANTY on all engine and chassis components? Or even a parts kit**? Who's going to offer them a free machine set-up/training session – or provide a telephone advice hotline?

Other Club benefits include a registration certificate, a preparation and suspension manual, dealer Open Days, mechanic instruction and substantial discounts on rider training schools.

The best bikes and the best support – with Kawasaki you're REALLY onto a winner.

* Applies only to new '94 models purchased from an authorised Team Green dealer listed here.

** Parts kit not available to suit KLX250R.
