

Party over the weekend

From: **R Taylor** [REDACTED]

Good afternoon,

I am a resident of Greystones.

I am writing to thank you for informing the Greystones community in advance about your planned party over the weekend. It is appreciated.

However, I would also like to let you know the experience we had of your party:

- We could hear every single song you played as if it was in our own garden, as well as the shouts of your guests. The impact was that we could not enjoy the use of our own patio over the weekend, and the noise kept us awake.
- The driving of your vehicle in circles in the land close to Clackers Brook on Sunday afternoon was loud, intrusive, and distressing. We had to leave our garden.

We have spoken with several neighbours who had a similar negative experience of your extended party.

Please could you keep in mind that sounds carry very effectively across the valley between Nonsuch and Greystones? This is a rural and tranquil area and the topography creates a natural amphitheatre, so parties and events have a severe impact. You may remember visiting my home in 2023, where you heard that music you played on your property could be heard loudly and clearly enough in my bedroom for me to Shazam it.

Again, thank you for the advance notice. We sincerely hope that events like this will continue to be kept to a minimum.

Kind regards,
Rosalyn
