Request for the adjustment of garden fence and position to create space for a car parking space within the property title deed area. Previous fence had to be removed due to storm damage and rotten posts. The rear area of the garden was a solid concrete slab to be removed and replaced with hardcore then gravel. This will also increase drainage in that area. The end of the fence will then surround the existing grassed area and will match the existing fence line between 117 and 118 London Rd.
