*Re. Application PL/2026/04461*

Dear Ms Mitchell

I am writing with reference to the two recent postings on the application above purportedly from 'Freshford Parish Council'. Both were posted after the closure date.

I have served on both Freshford and Hinton Charterhouse Parish Council.

There has been no meeting of Freshford Parish Council which would ratify these two comments and they must, therefore, be the personal opinion of John Adler, the Chairman. The comments should have been declared as such.

Yours sincerely

Penny Williamson
