Dear Kate Clements,

[PL/2026/05503, 49 Countess Road, Amesbury, Salisbury, SP4 7AS](#)

Thank you for consulting the Stonehenge and Avebury World Heritage Site (WHS) Coordination Unit on this householder application for a single storey rear and side extension, single storey front extension, first floor side extension over garage, and side extension and associated works including widening of driveway to create more parking.

The application takes place within the Stonehenge part of the Stonehenge, Avebury and Associated Sites WHS. It is our assessment that the proposal does not present any change to the WHS's Attributes of Outstanding Universal Value, and so we have no comment to make on this application.

Yours sincerely,

Claire Selman
