Important Customer Notes:

Please study these plans carefully and note the dimensions shown along with any comments. We would also ask that you pay particular attention to the actual position on the building and the location of any features, such as doors, windows, to any gate ends, boundaries & existing door or window locations, as these drawings will be issued to our builders.

Any changes, errors or amendments to these drawings must be notified in writing by email or post immediately to the architect. The architect will be responsible for any and would further advise that NO changes can be made to these plans once work commences on site as it will be too late to make any amendments.

Notes:

All dimensions shown are **EXTERNAL**, looking at your property from the garden, patio or service area, unless otherwise stated. All dimensions shown on the plans are **EXTERNAL** as indicated.

To calculate the approximate internal floor area:

Take the overall external dimensions of the house on the base plan (for each new coat) and consider the internal dimensions of the house (for each new coat) and would have an internal floor area of 44.00sqm (27.00sqm).
