Dear Sir / Madam,

RE: HOUSEHOLDER APPLICATION; 11 FARRIERS FIELD, UPAVON SN9 6NW

BL design studio Ltd have been instructed by Mrs L Harman to submit a Householder Planning Application to Wiltshire Council in accordance with the Town and Country Planning Act 1990.

This application seeks approval to convert the existing garage into habitable space connected to the main house with a modest link extension. This is to provide ground floor living space for the client's partner who suffers from [REDACTED] and will soon be unable to climb stairs. The proposals will allow the clients to stay in their family home while providing suitable facilities to live a comfortable life.

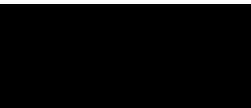

The garage is currently used for storage and houses the boiler which will be relocated. The driveway can comfortably accommodate 3 cars and this will not be affected by the proposal.

Our application consists of the following: -

- Application Form (duly completed)
- CIL Form 1 (duly completed)
- 26.009 – 01 As Existing
- 26.009 – 02 Design Scheme

I trust that the enclosed information is sufficient for this application to be registered at the earliest opportunity. Please do not hesitate to contact me should you require any additional information, or to make arrangement to visit the site.

Yours faithfully,
