Proposed Wobble Board. Age range: 18 months - 6 years. Improves balance & coordination; Overcoming obstacles; Learn to share; Tests agility.

10

Proposed Clatter Bridge. Age range: 3 - 14 years. Improves balance & coordination; Overcoming obstacles; Learn to share; Tests agility.

11

Proposed Jumping Disc. Age range: 18 months - 12 years. Improves balance and coordination; Learn to share; Jumping and stretching; Imaginative play.

Cut lines.

Soft Landscape Proposals for context only. For details see drw. No WAIN24897-11

The drawing is a detailed landscape plan for a residential development. It shows a grid of plots, some labeled with names like HEA, HOL, MEA, COP, FES, MOO, ALD, BEE, STA, and WOO. Each plot has a number and a Finished Floor Level (FFL) value. The plan includes proposed play equipment locations marked with numbers 1 through 11, corresponding to the legend. It also shows paths, including a 'Former PROW (mown path)' and a 'Diverted PROW (due to Veteran tree)'. The drawing is divided into three sheets: Sheet 2, Sheet 3, and Sheet 4. A north arrow and a scale bar are located in the bottom right corner of the drawing area.

NOTES:
DO NOT SCALE FROM DRAWING
NOT FOR CONSTRUCTION, FOR PLANNING PURPOSES ONLY

To be reviewed in conjunction with ACD soft landscape proposals
