

The Town and Country Planning Act 1990
Approval of Full Planning Permission with Conditions
Application Reference Number: PL/2026/01659
Decision Date: 07/10/2026

Applicant:	Mrs Mary Snook 30 Allenmead House Woodland Road, Patney, Wiltshire, SN10 3RG
Particulars of Development:	Change of use of an existing Barn which is to be demolished and replaced with a 4 bedroom dwelling of the same size and mass.
At:	Allenmead House, 30 Woodland Road, Patney, Devizes, SN10 3RG

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with policy DM3 (1)(a) of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Title	Description	Received Date
Proposed Elevations	A1.5- Proposed Elevations.pdf	11 March 2026
Location Plan	The location plan	11 March 2026

Proposed Floor and Roof Plan	A1.4 - Proposed Floor and Roof Plan.pdf	11 March 2026
Existing Elevations and Roof Plan	A1.1 - Existing Elevations and Roof Plan.pdf	11 March 2026
Existing Site Plan and Photos	A1.2 - Existing Site Plan and Photos.pdf	11 March 2026
Proposed Site Plan and Landscaping	A1.3 - Proposed Site Plan & Landscaping.pdf	12 May 2026
PEA Report	Produced by Stark Ecology. Dated: June 2026.	15 June 2026

REASON: For the avoidance of doubt and in the interests of proper planning.

- 3** No development shall commence above slab level until a scheme of hard and soft landscaping has been submitted to and approved in writing by the Local Planning Authority, the details of which shall include :-

- a detailed planting specification showing all plant species, supply and planting sizes and planting densities;
- finished levels and contours;
- means of enclosure;
- all hard and soft surfacing materials;

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

- 4** All soft landscaping comprised in the approved details of landscaping shall be carried out in the first planting and seeding season following the first occupation of the building(s) or the completion of the development whichever is the sooner; All shrubs, trees and hedge planting shall be maintained free from weeds and shall be protected from damage by vermin and stock. Any trees or plants which, die, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local planning authority. All hard landscaping shall also be carried out in accordance with the approved details prior to the occupation of any part of the development or in accordance with a programme to be agreed in writing with the Local Planning Authority.

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

- 5** No development shall commence until a detailed surface water drainage strategy has been submitted to and approved in writing by the Local Planning Authority. The strategy shall include:

- a) Details of the proposed means of surface water disposal;
- b) The results of infiltration testing undertaken in accordance with BRE 365 (or any successor guidance), demonstrating the suitability of any proposed infiltration-based drainage systems;
- c) Details of any attenuation, storage or treatment features required;
- d) Details of exceedance flow routes and measures to ensure no increased risk of flooding on or off the site during exceedance events;
- e) A timetable for implementation; and
- f) Details of the future management and maintenance of the drainage system for the lifetime of the development.

The approved drainage scheme shall be implemented in full prior to the first occupation of the dwelling and thereafter retained and maintained in accordance with the approved details.

REASON: To ensure satisfactory surface water drainage, reduce the risk of flooding and accord with Core Policy 67 of the Wiltshire Core Strategy and the National Planning Policy Framework.

- 6** No development shall commence above slab level until details and samples of the materials to be used for the external walls and roofs have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON: In the interests of visual amenity and the character and appearance of the area.

- 7** The overnight development hereby approved shall be designed to ensure it does not exceed 85 litres per person per day water consumption levels (which includes external water usage) and a water efficiency assessment should be submitted. Before the development is brought into use, a water efficiency report certifying that

this standard has been achieved shall be submitted to the local planning authority for its written approval.

REASON: To ensure compliance with the prevailing mitigation strategy for nutrient neutrality in the water catchment within which this development is located.

- 8** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended by the Town and Country Planning (General Permitted Development) (Amendment) (No.3) (England) Order 2020 (or any Order revoking or re-enacting or amending those Orders with or without modification), no development within Part 1, Classes A-H shall take place on the dwellinghouse hereby permitted or within its curtilage.

REASON: In the interests of the amenity of the area and to enable the Local Planning Authority to consider individually whether planning permission should be granted for additions, extensions or enlargements.

- 9** No external lighting shall be installed on-site until plans showing the type of light appliance, the height and position of fitting, illumination levels and light spillage in accordance with the appropriate Environmental Zone standards set out by the Institution of Lighting Professionals in their publication "The Reduction of Obtrusive Light" Guidance Note 01/21 (reference GN01/21), have been submitted to and approved in writing by the Local Planning Authority. The approved lighting shall be installed and shall be maintained in accordance with the approved details and no additional external lighting shall be installed.

REASON: In the interests of the amenities of the area and to minimise unnecessary light spillage above and outside the development site.

Informative

- 10** The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for development of land in England is deemed to have been granted subject to the condition (biodiversity gain condition) that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan, if one is required in respect of this permission would be Wiltshire Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. For further information on exempt developments please refer to:

<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>

Based on the information available this permission is considered to be one which will not require the approval of a biodiversity gain plan before development is begun because one or more of the statutory exemptions or transitional arrangements is considered to apply.

Informative

- 11** The applicant should note that under the terms of the Wildlife and Countryside Act (1981) and the Habitats Regulations (2010) it is an offence to disturb or harm any protected species, or to damage or disturb their habitat or resting place. Please note that this consent does not override the statutory protection afforded to any such species. In the event that your proposals could potentially affect a protected species you should seek the advice of a suitably qualified and experienced ecologist and consider the need for a licence from Natural England prior to commencing works. Please see Natural England's website for further information on protected species.

Informative

- 12** The applicant's attention is drawn to the fact that this planning permission should be read in conjunction with the planning obligations contained within the Unilateral Undertaking/Legal Agreement dated 5th October 2026. The terms of that Agreement impose obligations and restrictions which run alongside this planning permission and are binding on the land. Compliance with the requirements of both the planning permission and the associated Legal Agreement is required at all times.

Nic Thomas - Director of Planning, Economy and Climate

NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
 - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
 - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
 - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
 - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <http://www.planningportal.gov.uk/planning/appeals>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
- 4 **CIL.** The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. A separate Community Infrastructure Levy Liability Notice will be issued by the Local Planning Authority. Should you require further information with regards to CIL please refer to the Council's Website [Community Infrastructure Levy \(CIL\) - Wiltshire Council](#)
