Andy,

I can confirm that I Approve in Principle to this project with the following caveats;

- All correspondence at each stage of the project to liaise with Nigel Clements.
- RAM Drainage design sign off will be required.
- RAM Drainage team is to be invited to delap and AMP 15/16 walkouts.

Kind Regards,

Dean Jackson

Hi Dean

See below for correspondence relating to our proposed works at a development site in Trowbridge. Would you be able to call me to discuss, or let me know a number to call you on? We are just keen to get your approval in principle to the proposed works, subject to methods of work being agreed at a later date.

Regards
Andy
