

Energy Strategy Legend:

-  Potential future Area Of PV Panels To Roof
-  Potential Location Of ASHP
-  Potential Location Of Car Charging Point
- Wall or Post Mounted

NOTES:

- Exact Position Of Solar Panels, Car Charging Points & Heat Pumps To Be Detailed At Technical Design Post Planning Approval if required.
- Electric Charging to Dwellings in Accordance with Building Regulations Part S
- ASHP location within Apartments & Coach House to be internal type - Details TBA

- Exact Position Of Solar Panels, Car Charging Points & Air Source Heat Pumps To Be Detailed At Technical Design Post Planning Approval if required.
- Electric Charging to Dwellings in Accordance with Building Regulations Part S
- ASHP location within Apartments & Coach House to be internal type - Details TBA
