24th September 2026

Our ref S/H/417

Dear Sir/Madam

Highways Act 1980 Section 154 – overhanging vegetation trees adj 61 Wyndham Road Salisbury

Vegetation owned by you or on land occupied by you, is causing a danger to those using the Public Highway.

On 11th August 2026, Wiltshire Council wrote to you requesting that you remove this vegetation, that was obstructing the Highway. We have carried out a further inspection and the vegetation is still in place.

The Council now requests that you arrange for this vegetation to be removed in not later than fourteen days from the date of this letter. If it has not been cut down by this time, the matter will be referred to the Council's legal team.

If you wish to discuss this matter further, or have any questions regarding the above, you can contact me on 01722438901 or email graham.axtell@wiltshire.gov.uk.

Yours Sincerely,

Graham Axtell

Area Highways Engineer

Salisbury and South Wiltshire
